## Will Oppose New Zoning

**Change Requested To Al-  
low Multiple Houses  
On Crosby Farm—Will  
Hold Hearing**

The planning board has received an application requesting a change in zoning to permit the construction of multiple apartment houses on the Crosby farm property, the NEWS learned this week.

Plans call for an eight-family kitchenette apartment building, consisting of four 2-family houses in a block with a party wall between each section, it is understood.

The Mysticside Improvement association in Morning's 'e and Mystic sections, has called a meeting to protest such a change in zoning in this section, it is reported.

The Arlington Taxpayers association has been told that these proposed apartments would accommodate 200 families in one and two room suites and that the project would cost over a half million dollars.

A public hearing on the proposed zoning change will be held, as is the custom in all such requests for zoning changes, and the date will be advertised in the NEWS. Herbert M. Dutcher, secretary of the planning board stated (Continued on page seven)

## 110TH CAVALRY BAND TO PRESENT CONCERT HERE FOR GIRL SCOUT BENEFIT

On Sunday afternoon, February 12 the Arlington Girl Scouts will present in the Town Hall a program of entertainment for the purpose of raising money for a permanent summer camp for the use of local Scouts.

Chester Whiting instructor of the Girl Scout Bugle and Drum Corps has offered to bring the 110th Cavalry Band to Arlington on that day and to give a concert all the proceeds of which are to be retained by the Girl Scouts for their camp fund.

The band, of which Mr. Whiting is Bandmaster is one of the very few mounted army bands now existing in the United States and is recognized as one of the finest military bands in the country. With headquarters in the Commonwealth, Army in Allston this group is the official band of the 110th Cavalry which was originally organized as the "National Lancers" on October 31, 1836.

It was later known as the "Boston Light Dragons" under which designation its members served during the Civil War. This organization also saw service on the (Continued on page three)

Tommy Rawson, well known local professional boxer, will act as referee and has also arranged five professional exhibition bouts. Paul Bowser has promised some wrestling talent for an exhibition match. Wally Whalen will battle Tiger Wallace in a wrestling exhibition.

The Charlestown Boys' club will supply three fast matches, namely Red Gouillard versus Tony Parino; Eddie Yexians versus Walter Cavanaugh; and Stanley Yexians versus Frank MacCallan.

The Arlington Boys' Club will present its own boxers in exhibition bouts. These will include John and Frank McLaughlin, Philip Preston, John "Shanty" Hogan, William McLatchey, Frank Casell, Ed Tobin and William Fitzpatrick.

In addition there will be novelty bouts with younger club members taking part. Several prominent figures in the sports world will be introduced from the ring.

Assisting the president and director of the club in charge of arrangements for the sports night are Russell P. Wise, W. C. Adams and Robert Moore.

The affair will be open to the public and tickets may be secured at the boys' club quarters, 4 Swan place.

The Boys' Club is also making plans for a champion table tennis exhibition at the Robbins town hall on February 15 with the best players in this section of the country participating.

A meeting of the club's board of directors will be held at police headquarters next Tuesday evening.

The club is now playing public basketball games at Junior High East every Saturday evening.

## No Auto Accidents Here Last Week-End

With not a single automobile accident of enough importance to be reported to the local police over last week end, Arlington's week end record was the best chalked up in a long time. The only accident report, made Saturday, was that for a minor accident which occurred January 4.

An automobile robe valued at \$15 was stolen from the auto owned by Howard H. Hutchins of 29 Dartmouth street, while the car was parked in Arlington Centre Saturday afternoon, according to a complaint made to the police by Mr. Hutchins on Sunday.

## To Re-Landscape Town Property

Work on an extensive re-landscaping project which will transform the Robbins town hall grounds into one of the most attractive spots in Greater Boston was started this week.

Provisions for further improvement of the already attractive grounds have been made by the Robbins family which has generously given Arlington considerable property in the past. The project will be carried out at no expense to the town and has been approved by the selectmen.

The re-landscaping was planned by the firm of Olmsted Brothers, well-known Brookline firm of landscape architects and the contract for the work was awarded to J. Driscoll & Son company, also of Brookline. A low wall, which is already under construction, will be built around the spacious grounds. Details of the improvements will be published in next week's NEWS.

## Girl Scout Field Institute Here

Members of the Girl Scout national staff and the New England regional committee met with representatives of local councils in Arlington, Belmont, Malden, Somerville and Winchester at the field institute held in Arlington on Wednesday.

The functions and duties of a Girl Scout local council, which is the sponsoring group of adults in each community, and the program personnel and administrative techniques of the national organization were discussed in a series of group meetings held in the Junior Library hall, of the Robbins library.

Miss Ruth Stevens of Boston, executive director of Girl Scouting in the New England States and Miss Frances Lee of New York City, education consultant on the Girl Scout national staff, participated in the institute program. Miss Lee, formerly principal of the Lee School for Girls, in Boston, served as president for two terms on the board of directors of the Headmistress association of the East, and is now an honorary member of this organization. She was a trustee of Radcliffe college for six years, and is one of the authors of "The Education of Girls" published by Houghton Mifflin.

Mrs. James Matthews of Wellesley, member of the Girl Scout New England region committee, and the following women who are active in the movement, took part in the institute discussions, Mrs. Fred W. Greer of Belmont; Mrs. Clifford Gleason of Arlington; Mrs. Harold Farnsworth of Winchester, commissioners, and Mrs. H. B. Blackmer, chairman of the program.

## More Candidates Out For Municipal Office

**Several New Candidates Take Out Nomination Papers  
in Anticipation of Annual Town Election—Inter-  
esting Contest for Selectman and Public Works  
Board—Predict More Will File by February 2**

Several new candidates for town offices took out nomination papers this week at the office of Town Clerk Earl A. Ryder indicating that a record number will probably have their names on the ballot at the annual town election on March 6.

With Chairman George H. Lowe, Jr., of the board of selectmen not seeking re-election to this office, five candidates have already entered the fight for this office. Nomination papers have been taken out by Arthur Gordon Wier, 15 Alfred road; W. C. Adams, 40 Coolidge road; James H. O'Brien, 23 Bacon street; Leo A. Matthews, 18 Marion road and George H. Harris, of 196 Cedar avenue. The term is three years.

On the other hand James R. Smith, of Highland avenue, chairman of the board of public works will seek re-election to another three year term with four other candidates already out for the same office. In addition to Mr. Smith, those who have taken out nomination papers are John M. Hurley, of 10 Park terrace; Francis O'Connell, of 103 Summer street and Herbert W. Boiser, of 119 Warren street. Edward T. Ryan, of Wildwood avenue, former member of the board, has already launched an aggressive campaign for the same office.

For re-election to the board of assessors, Chairman Clarence Moore, of Walnut street, will be opposed by at least one candidate, William O. Hauser of 23 Oxford street who has already taken out nomination papers. The term is for three years. Town Treasurer Charles A. Hardy, of Gray street will be opposed for the first time when he seeks reelection to this (Continued on page three)

## WILL SPONSOR DANCE FOR BENEFIT OF LOCAL CHEST

Arrangements are being made for a Community Chest Ball to be sponsored by the Twenty-One Club of this town. This charitable affair will be held at the Robbins Memorial Town Hall on the evening of February 21.

A committee is working on a program of entertainment to be presented between 8:00 and 9:30. Music for dancing will be furnished by Bob Adams and his orchestra from 9:30 till 1 a. m.

The proceeds of this dance will be used to make up part of the \$10,000 deficit in the Chest's 1938 drive. Every residence in town will be canvassed by the members. The merchants of the town are doing their part by advertising on a special page for this affair. (Continued on page three)

## GET A SAFER CAR TODAY

...Tomorrow may be too late!

### WHAT WOULD HAPPEN TO YOU IF A TIRE BLEW OUT AT 60?

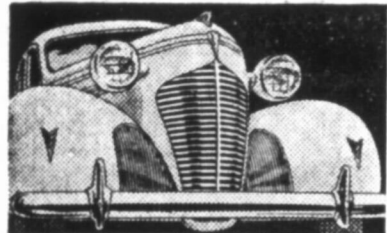

YOU'D BE SAFER WITH HUDSON'S EXCLUSIVE AUTO-POISE CONTROL

WHY? Because this revolutionary mechanical invention (patent applied for) automatically helps to keep wheels on their course—on rough roads, in heavy side winds, even when a tire blows. The operation of AUTO-POISE CONTROL does not require special tires, rubbers or extra equipment of any kind. It is standard at no extra cost on all 1939 Hudson passenger cars; NO OTHER CAR HAS ANYTHING LIKE IT.

### WHAT WOULD HAPPEN TO YOU IF HYDRAULICS SUDDENLY FAILED?

YOU'D BE SAFER WITH HUDSON'S EXCLUSIVE DOUBLE-SAFE BRAKES

WHY? Because, even if hydraulics should suddenly fail through accident or service neglect, the driver of a Hudson just pushes farther on the same foot pedal and STOPS. Thanks to Hudson's exclusive Double-Safe Brakes—two braking systems (finest Bendix Hydraulics and a separate reserve mechanical system) working automatically from the same foot pedal. Many letters in our files tell of accidents prevented by Double-Safe Brakes, standard in all 1939 Hudsons.

### Wellesley Players Will Present Gay Comedy Here Tonight and Sat.

The Wellesley Players will present their contribution to the annual exchange of plays between their organization and the Arlington Friends of the Drama at the latter's clubhouse on Maple St. this (Friday) and Saturday evening.

The play, the delightful "Is Zat So?", has an interesting history. It was written by two unemployed actors, James Gleason and Richard Tabor, who sitting idly in that famed rendezvous of actors, the Lamb's Club, discussing plays and players found that they agreed on one thing: that the perfect role is one the actor writes for himself. Immediately they set to work writing roles for themselves and the result was "Is Zat So?" which ran for more than 500 performances in New York and had long runs in Boston and Chicago. The play is full of fun and even fuller of action to the point of a two round boxing match that, from a dramatic point of view, is a "technical knockout."

**Rotary Club Briefs**

A 100 percent attendance record was chalked up at last week's meeting of the Arlington Rotary club for the second time in a month, president Herbert Buttrick announced at Wednesday's meeting. Only four members were absent at this week's meeting.

The speaker was Frank B. McHaffey of the Air Production Sales company who gave an instructive talk on "Air Industry." Mr. McHaffey presented a most interesting demonstration with liquid oxygen.

### Harris To Run For Selectman

In response to the urgent requests of many private citizens that he run for selectman in the coming election, George A. Harris, of 196 Cedar avenue, announces his candidacy for that office.

Mr. Harris is 34 years old and has been a resident and tax-payer in Arlington for twelve years. He is married to an Arlington girl and is the father of two children.

Mr. Harris states that those who have approached him have said, in part, "You have been unselfishly active in town matters for years. You seem to be a fellow who knows what is going on in Arlington, and not afraid to stand firmly by your convictions. We need your straightforward type in our town government."

Mr. Harris feels that in view of this widespread demand it is his civic duty to seek election. Furthermore, he feels that his knowledge of town affairs, and his enthusiastic interest in all that concerns the town, fit him for this important office. He has been a town meeting member in precincts 3 and 8, and is at present an active town meeting member in precinct 12. The records of the town meetings, if investigated, will show to any interested citizen, Mr. Harris' actions in behalf of the citizens and tax-payers.

As a member of the board of directors of the Citizens committee, chairman of its by-laws committee, chairman of its publicity committee and as a member of the qualifications committee of 1939 (now resigned), he has worked in promoting the principles of the Citizens committee. He has been a member of the board of directors of the Arlington Taxpayers association, and is at present a member of the board of directors of the Arlington Heights Improvement association and its publicity chairman.

Mr. Harris has been very active on the Town Hall floor during annual and special town meetings, advocating that which will benefit the tax-payers, and opposing all matters which would be detrimental to their interests. He has continued the same interest in other organizations of the town of which he is a member.

"I promise, as a newspaperman, to devote the same interest and energy to the problems of the citizens and tax-payers, and to the office of selectman, as I have in the past on all other matters connected with town affairs," Mr. Harris pledges.

### Old Pair of Shoes Left In Place of Skater's

It may have been a mistake—but if it wasn't, Robert Manning, of 140 Mary street, was the victim Saturday of a petty thief who stole Manning's new shoes from the shore of Spy Pond at the cove and left an old pair of shoes in place, while Manning was skating. The case was reported to the local police.

Social events during the week will include a roller skating party at Tech Rink, Cambridge, on Tuesday at 8 p. m. On Friday the intermediates' party will be held at 7:30 in the Parish Hall of the church, and on Saturday from 8-12 p. m. will be the Youth Week Dance with the music of the "Collegiate Five" orchestra.

Mexican border during 1916 and served overseas during the World War from July 25, 1917 as a machine gun battalion.

As the feature number of the concert program the Band will play the famous and catchy Swedish "Tapto" in which the snappy drum solo will be rendered by Virginia Wunderly, crack drummer of the Arlington Girl Scouts Bugle and Drum Corps. It is interesting to note that the "Tapto" was played when the Swedish Prince visited our shores. The Bugle and Drum Corps as a whole will be heard in several numbers and in view of the good accounts that they gave of themselves at the past year's competition should furnish a very finished complement to the band.

Supporting the two bands will be heard Arlington's own Miriam Hendrick Cahalin.

Robert Rutledge, well known Arlington baritone has kindly consented to favor the audience with a number of vocal selections. Mr. Rutledge will be remembered for his excellent performances in the Gilbert and Sullivan productions presented by the Friends of the Drama.

The tickets for the affair may be procured from members of the committee, the Girl Scout Council, the Leaders' Association, any member of the Bugle and Drum Corps, or at the Girl Scout Headquarters in the Old Town Hall.

Tickets are decidedly limited. Mrs. Harold A. Yeames is chairman of the ticket committee. Other members of the committee are Mrs. James A. Bailey, Mrs. Clifford R. Gleason, commissioner, Mrs. A. W. Wunderly, Mrs. Charles Mackusick and Mrs. Percy K. Griffin.

## PLAN CARD PARTY

office, since Selectman Lowe has taken out papers for this office. Edward A. Bailey, tax collector, will retire on a pension this year and will not seek re-election. Two candidates have already taken out papers for this office. They are J. Herbert Anderson, of 43 Pine Ridge road, assistant to Mr. Bailey in the collector's office, and Paul C. Griffin of 30 Magnolia street.

For the school committee, the only candidates who have taken out papers thus far are the present members up for re-election, namely, Mrs. Katherine Lacey, Harold Cahalin and James W. Kidder.

For the planning board, a similar situation holds true, Charles H. Bowker, of Everett street having taken out papers for the three year term and Herbert A. Dutcher of Walnut street for the one year term.

A three-cornered fight for park commissioner is assured with three candidates already out for the office. Daniel M. Hooley of 268 Broadway, chairman of the board will be opposed by Edgar T. Chester, of 56 Pond lane and Albert Spina of 43 Beacon street, all three having taken out nomination papers thus far.

Dr. Carl Barstow has taken out nomination papers for the board of health.

William A. Muller of 231 Massachusetts avenue and Cyrus E. Dalin of 69 Oakland avenue are candidates for the three year term as trustees of the Robbins Library. Harrie H. Dandman of 58 Robbins road is the only candidate thus far for sinking fund commissioner, the Pratt fund, and the post widows and Farmer funds.

J. Edwin Kimball, of 333 Massachusetts avenue, will seek re-election as cemetery commissioner for three years.

Daniel M. Daley of Medford will seek another term as tree warden.

No one has taken out nomination papers as yet for town moderator, a position held in recent years by newly appointed Assistant District Attorney Albert W. Wunderly.

Town Clerk Earl A. Ryder, of 11 Churchill avenue has no opposition for re-election to the office. Candidates will have until February 2 to file their nomination papers. They may then withdraw anytime up to February 10. It is freely predicted that several other candidates will be in the race before the deadline for filing papers, on February 2, arrives.

## SPOT ZONING

As conditions change in growing towns and cities, it is considered good planning to create zones for business, apartments and single residence districts.

When a town has been zoned it often happens that some properties would benefit materially if an exception could be made in their cases, allowing them for example to install a store-front in a house or change a large one-family house into a two-family house.

Such changes, or exceptions, if granted, usually are instrumental in lowering property values where they occur, to say nothing of causing continual fluctuation in all property values.

If reports are true that a plan is being considered in Arlington to change the zoning law in order to allow the erection of multiple apartment houses, to house nearly two hundred families, great care should be used to see that the best interest of all are considered.

We might well question whether or not the area being considered is suitable for such a development. Is there a need for such housing, are suitable transportation facilities available, and will it eventually be a liability or an asset to the town?

After careful consideration of the many points involved we should give consideration to the many home owners in the affected area, who, in good faith, invested their money in a district zoned for single family homes.

## The NEWS OBSERVES

Petty thieves are still active around the town. This week's complaints to the police include car keys stolen from an instructor's overcoat while he was teaching his classes at the senior high school and \$32 stolen from 51 Fairmont street and \$450 as well as several keys and an automobile license in a purse stolen from 82 Mary street. On Monday, clothing was stolen from a line at 8 Gray street for the third successive week. The same day, 5 auto wheels were reported taken from under a porch at 38 Forest street.

Life is being made miserable for dogs in the vicinity of George street. A complaint was made to the police on Wednesday that dogs in the vicinity were being poisoned by some unknown person.

Max Parker of Parker's Beauty shops at 501 Massachusetts avenue got an unpleasant surprise Monday afternoon when boys loosed a traffic "Stop" sign near the shop and accidentally sent it crashing through a large plate glass window in the shop.

Our high school students who solicit the support of local business men for their advertising programs should at least have these programs printed in a local job printing shop.

As an important feature of its intensive program to promote a better understanding of the social, economic and political problems of democracy, NEW ENGLAND TOWN HALL, a non-profit, and non-partisan organization founded last summer, will launch its weekly New England Town Meeting series next Tuesday evening at 8 o'clock in the Boston City

club auditorium with a panel discussion of "What Shall We Do About Civil Service?"

The heavyweight championship fight between Joe Louis and John Henry Lewis next Wednesday evening will be broadcast by Buick over a nation-wide network. Manager "Chit" Miller of the Arlington Buick company announced this week.

A new Parent Teacher Association is being formed at the Locke School on Wednesday, Jan. 25, at 3.30. Officers of the Arlington Council are assisting with the president, Mrs. Waldo Edwards, acting as chairman, Mrs. Arthur Field, district president will be the speaker. All mothers interested are asked to attend.

## That Indian Again

Dear Mr. Editor: I don't see why you are making all this fuss about a poor Indian that is minding his own business and is scarcely noticed by anybody.

What's the idea of bringing him out into the open where he can't drink in private? An Indian likes solitude. This fellow has been hunting and if you brought him out near the avenue, people would realize for the first time that he had a goose with him. In the past he has lost several feathers and his bow has been broken but what would happen if he lost the goose?

Another thing, why bring him away from the spring even though the spring is dry at least six months during the year. Remember this is a summer Indian and he doesn't need water in the winter season.

You have had your say and you have been told where you get off at so if you really admire this Indian as much as you pretend you do you will have an opportunity to get a little much needed exercise by walking up the curved paths within the walled area when present plans are completed.

Interested Spectator.

### CHURCHES OF CHRIST, SCIENTIST

"Truth is the subject of the Lesson-Sermon which will be

read in Churches of Christ, Sci-

entist, throughout the world, on

Sunday, January 22.

The Golden Text is: "Ascribe ye greatness unto our God. He is the Rock, his work is perfect: for all his ways are judgment: a God of truth and without iniquity, just and right is he" (Deuteronomy 32:3,4).

Among the citations which comprise the Lesson Sermon is the following from the Bible: "And Jesus went about all Galilee, teaching in their synagogues, and preaching the gospel of the kingdom, and healing all manner of sickness and all manner of disease among the people" (Matthew 4:23).

### Cape Cod Farms Open New Jelly Shop Here

Here's something new in Arlington!

Cape Cod Farms have opened a new jelly house at 10 Medford street with George E. Hoyt as manager in charge. Arlington's jelly house where one will find delicious products that cannot be duplicated, is easy to reach being just around the corner from Massachusetts avenue in the Centre.

Here one may buy strawberries most carefully prepared according to an old Cape Cod recipe, they stuffed oranges in grenadine, pineapple rings in creme de menthe, pears in sparkling burment, old Cape mince pie, golden orange marmalade for which Cape Cod Farms, Inc., excels, minted pineapple sauce, wild grape conserve and a host of other tempting delicacies which will be found on the tables of the finest homes in the land, including the White House, foreign embassies and the leaders in social life.

Cape Cod Farms, Inc., is located in Barnstable on the Cape. Its sales developed to such a point that it is now marketing its delicious products throughout the country. In some communities, the tiny trim little Cape Cod jelly houses have attracted wide attention.
